House Bill No. 1226

by deleting all language after the enacting clause and by substituting instead the following:

SECTION 1. Tennessee Code Annotated, Title 16, Chapter 1, Part 1, is amended by adding the following language as a new, appropriately designated section:

Unless otherwise provided by law, all courts in this state that implement an electronic court filing system pursuant to Tennessee Supreme Court Rule 46 and Tennessee Rule of Civil Procedure 5B shall utilize only a system provider authorized by the administrative office of the courts. The administrative office of the courts shall establish technical standards with the goals of ensuring integrity of filings, assuring an environment that promotes uniformity and ease of filing, and providing the framework for future compatibility among e-filing solutions implemented by local and state courts. Nothing in this section shall require the administrative office of the courts to begin implementing a statewide e-filing system.

SECTION 2. This act shall take effect on July 1, 2013, the public welfare requiring it.
